Henry Holt & Company Inc. Paperback. Book Condition: new. BRAND NEW, A Patient's Guide to PCOS: Understanding and Reversing Polycystic Ovarian Syndrome, Walter Futterweit, George Ryan, One in ten women of childbearing age is affected by Polycystic Ovarian Syndrome (PCOS) to some degree, and many suffer from serious symptoms, such as infertility, early miscarriage, chronic pelvic pain, weight gain, high blood pressure, and migraines. PCOS is by far the most common hormone imbalance in women of this age group, yet few women understand the threat it poses to their health - or how to prevent it. In "A Patient's Guide to PCOS", Dr. Walter Futterweit, the foremost authority on PCOS in America, tells women everything they need to know about this condition and how to treat it. Drawing on his twenty-five years researching and treating the condition and his ongoing long-term study of more than a thousand women with PCOS, Futterweit discusses: what PCOS is and how it affects your body; what to eat and how to exercise to control PCOS; all the treatment options, including the latest drug therapies; how to reverse PCOS-induced infertility and restore healthy skin and hair; and resources for preventing, diagnosing, and treating PCOS.
