Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

CAUCASIA. SCHNEE IN ALABAMA, ENGLISCHE AUSGABE

Book Condition: New. Publisher/Verlag: Penguin US | A Novel. Winner of the Alex Award - YALSA, the BOMC Stephen Crane Award, the IMPAC Dublin Literary Award, and the Whiting Writers' Award | A debut novel explores the complications of race through the story of two daughters--one light-skinned and the other dark-skinned--of a black father and a white mother, who become torn apart by racial allegiances. Reprint. | In Caucasias- Danzy Senna's extraordinary debut novel and national bestseller-Birdie and Cole are the daughters of a black father and a white mother, intellectuals and activists in the Civil Rights Movement in 1970s Boston. The sisters are so close that they have created a private language, yet to the outside world they can't be sisters: Birdie appears to be white, while Cole is dark enough to fit in with the other kids at the Afrocentric school they attend. For Birdie, Cole is the mirror in which she can see her own blackness. Then their parents' marriage falls apart. Their father's new black girlfriend won't even look at Birdie, while their mother gives her life over to the Movement: at night the sisters watch mysterious men arrive with bundles shaped like rifles. One night Birdie watches her father and his girlfriend drive away with Cole-they have gone to Brazil, she will later learn, where her father hopes for a racial equality he will never find in the States. The next morning-in the belief that the Feds are after them-Birdie and her mother leave everything behind: their house and possessions, their friends, and-most disturbing of all-their identity. Passing as the daughter and wife of a deceased Jewish professor, Birdie and her mother finally make their home in New Hampshire. Desperate to find Cole, yet afraid of betraying her mother and herself to some unknown danger,...
