Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

RUGBY UNION

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, Rugby Union, Rugby Football Union, The Know the Game series is firmly established as the leading introduction to a huge range of sports. For years they have been the first step into a new sport for many people, children and adults alike. The series has now been relaunched in a new format and a modern design - making the best even better. The aim has been to make the books more accessible, and they are now packed with colour photos and illustrations, top tips and interesting facts. Each book contains everything you need to know about the sport, including equipment, rules, techniques and training tips. There's even information on how to find a club and meet new people to play the sport with. And having been written and endorsed by the sport's professional body, you can be sure that you are getting the best information available."
