Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This handbook is a sort of timely attempt to restore you to your God-given joy and happiness. Joy and happiness are two essential marks of being alive that are lacking in many homes, marriages and several relationships today. Do you feel unloved by parents and home; harassed and emotionally bullied by siblings, Dad and Mom, close and distant relations? Are you finding it hard to stay married or you are simply managing to cope with your marriage, because of maybe the scandal of separation or a divorce? Have you been crying because you feel that you are married to the wrong person? Why are you so unhappy with people and even with yourself? Find out and this book will supply answers to them. Are you sure that the problem is not rather with you? Your attitude determines your highs and lows. Getting along with people and situations that are beyond your own making is one of the things this book will teach you. I may not know what causes you to live as miserably as you do. What I do know is that you can live as happily as the happiest angel in heaven; joy and happiness are within your power and reach. And with the book in your hands, they are no more than a nose-mouth distance from your grasp. Let me tell you this: the secret of surviving in these wicked times is to learn how to generate and retain your personal happiness, independent of any and every situation at work in your life. The how of generating and retaining personal happiness is what this book is all about? It will educate you on how to...
