

Higher Education in America (Revised edition)

By Derek Bok

Princeton University Press. Paperback. Book Condition: new. BRAND NEW, Higher Education in America (Revised edition), Derek Bok, Higher Education in America is a landmark work--a comprehensive and authoritative analysis of the current condition of our colleges and universities from former Harvard president Derek Bok, one of the nation's most respected education experts. Sweepingly ambitious in scope, this is a deeply informed and balanced assessment of the many strengths as well as the weaknesses of American higher education today. At a time when colleges and universities have never been more important to the lives and opportunities of students or to the progress and prosperity of the nation, Bok provides a thorough examination of the entire system, public and private, from community colleges and small liberal arts colleges to great universities with their research programs and their medical, law, and business schools. Drawing on the most reliable studies and data, he determines which criticisms of higher education are unfounded or exaggerated, which are issues of genuine concern, and what can be done to improve matters. Some of the subjects considered are long-standing, such as debates over the undergraduate curriculum and concerns over rising college costs. Others are more recent, such as the...
