

Skeletons in the Closet: Curses and Dirty Genes

Filesize: 6.52 MB

Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

(Pasquale Larkin I)

SKELETONS IN THE CLOSET: CURSES AND DIRTY GENES

Createspace, United States, 2010. Paperback. Book Condition: New. Robert R Beauchene (illustrator). 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.It would be interesting to know how many of us have heard cliches like, You re just like your father (or mother)! And then there is, The apple doesn t fall far from the tree, I see! Or, What else can I expect, look at your gene pool! Yup, you re going to be just like your brother! Phrases such as, he s useless too , a loser , never accomplished anything in his whole life , everything she touched turned to garbage , you wait and see; just like your grandmother , and she never amounted to anything either , play over and over in our minds and like dark prophecies, haunt us throughout our lives. Unfortunately, even in the church things like, You re going to have to battle this all your life are thrown around as though they have some Scriptural basis and a right to be quoted. Is there really such a thing as a curse? Isn t that witchcraft or something? If we are under the Blood we are no longer under the curse. So isn t that all we need to know as Christians? Is there some evil force hiding in the closet that plays a part in our ability to serve freely the LORD Jesus?.
