When I was a little girl, I dreamed of being a mother. I wanted a bunch of kids. It never occurred to me that God would have a different plan for my life. But, early into my pregnancy, it became evident that my body was not handling physical stress well. I was eventually hospitalized. My body and pregnancy required constant monitoring. Over the course of my pregnancy, my body suffered near kidney failure and severe water retention. I could barely move or bend my limbs. Eventually, my blood pressure skyrocketed. My prayer is that these stories inspire you to step back from your anger, pause from asking questions, and quite simply pray for God to reveal Himself in the midst of your situation. God will reveal His glory. He will cover you with perfect peace, carry your burden, and provide rest for your soul if you simply ask. Come to me all you who are weary and burdened and I will give you rest....
