Counting to God: A Personal Journey Through Science to Belief

By Douglas Ell

Douglas Ell Books, United States, 2014. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.What if you could harmonize science and faith? What if science itself pointed to a reality outside of space and time, and a Designer behind all that exists? In Counting To God, Douglas Ell applies the lens of mathematical analysis to recent scientific discoveries, drawing startling conclusions. He explains seven areas where modern science supports the existence of God Scientific breakthroughs over the past half century contradict the popular paradigm that science and traditional religion do not mix. The ensuing, often heated, debates can be hard for outsiders to follow, because of both the volume of data involved and esoteric truth claims on each side. Shining a new light on these debates, and perhaps providing the key to the truth, Ell uses scrupulous analysis and probability calculations to make a convincing case that the most advanced, sophisticated thinking in science not only allows for the idea of a designed universe, but encourages it. As the adage says, numbers don't lie. Although Counting To God is substantially a work of science, Ell writes in plain English...
