Adventures Unlimited Press. Paperback. Book Condition: new. BRAND NEW, Orion Zone: Ancient Star Cities of the American Southwest, Gary A. David, This work focuses on the ancient star lore exploring the mysterious location of Pueblos in the American Southwest, circa 1100 AD, that appear to be a mirror image of the major stars of the Orion constellation. Many readers are familiar with the correlation between the pyramids of Egypt and the stars of Orion. Beginning in 1100 A.D. on the Arizona desert, the Hopi constructed a similar pattern of villages that mirrors all the major stars in the constellation. 'As Above, so Below'. This book explores this ground-sky relationship and its astounding global significance. Packed with diagrams, maps, astronomical charts, and photographs of ruins and rock art, this useful guidebook decodes the ancient mysteries of the Pueblo Indian world.
