Richer Press. Paperback. Book Condition: New. Paperback. 248 pages. Dimensions: 9.0in. x 6.2in. x 0.5in. In a light similar to the best selling books, Tuesdays with Morrie and Who Moved My Cheese, Pillow Talk Consciousness: Intimate Reflections on Americas 100 Most Interesting Thoughts and Suspicions also shines and conveys a sobering yet captivating story. Pillow Talk Consciousness is a story about the social and political discourse which frames the lives and conversations of Americans today. The story revolves around the daily thoughts and suspicions of an average American couple at this nexus of the 21st Century. The story's format is designed to draw the reader into an unsuspecting mindset of self-reflection. True to the adage we are what we think, the book --- in its totality --- paints a vibrant picture of American life based on unusually candid adult dialogues. Upon reflecting on the book's 100 topics and dialogues, the reader comes away with an amazingly holistic sense of the complexity and variety of the thought that frames American life and American conversation today --- thought that undoubtedly has set the stage for America's ultra-polarized social and political climate. The book's prologue, through an insightful view of two naturally fascinating qualities (pillow talk and human consciousness), sets the table for the reader to fully enjoy the dialogues that convey an increasingly revealing narrative of life in America. The prologue establishes the premise for and the intrinsic value of candor without rancor as a powerful yet often misunderstood and seldom used form of human expression. The profile of the book's two characters, Paul and Paulette, paints an engaging image of early 21st century America. The image portrays a diverse society highly influenced by individual life experiences --- including politics, friends, life style, genealogy, occupation, social status, family structure, religious affiliation, geographical residency...
