Brand New Book ***** Print on Demand *****.Mason Alexander thought all he wanted in life was something to call his own-something without the family name attached. He got that when he bought his bar in Blackcreek.but then a hard truth opens his eyes that he s been lied to his whole life, and he s tangled amid the family that loves him, a truth that haunts him, and torn between the life he wants for himself and the obligation he feels for his family. Gavin Davis knows a thing or two about living a double life. Being a gay man with strict Christian parents who believe he s going to Hell, has never been easy. Instead of dealing, Gavin lost himself in his career. Teaching music gives him solace. So when he loses his job at a private school for helping out a gay kid, he feels like he lost more than a job. He lost his identity. Blackcreek is a new start for both of them, two men, loyal to a fault, who both feel obligated to people in their lives. What Mason and Gavin don t expect to find in each other is the place where they can be real. They know they want each other, it s the rest of it they can t figure out. Caught between loyalty, obligation, fear, tragedy and family, Mason and Gavin s lives threaten to pull them away from each other if they don t get real, and stop playing pretend, for good.
