Anness Publishing. Hardback. Book Condition: new. BRAND NEW, Pruning Success: How and When to Prune All the Key Plants in Your Garden, with Step-by-step Photographs, Andrew Mikolajski, This title shows you how and when to prune all the key plants in your garden, with step-by-step photographs. It clearly explains the different methods of pruning, such as deadheading, shaping, clipping and trimming. It describes specific pruning techniques for different types of plants, including roses, shrubs, climbers and hedges. You can learn how to restrict the size of evergreens, trim vines, rejuvenate conifers, train apple trees and shorten the growth on soft fruit bushes to maximize their yield. It includes an at-a-glance seasonal chart to remind you when to prune, and a list of plants' common names. Most plants benefit from a prune for healthy growth and visual appeal, but many gardeners approach the task with trepidation. This accessible handbook provides a clear, easy-to-follow guide through the complexities, explaining why we prune, and giving step-by-step instructions on the different techniques. There is also advice on selecting and using equipment, an extensive section on pruning specific types of plants, and two useful charts showing methods of pruning and seasonal pruning. The book contains...
