Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).
(Taylor Medhurst)

THE INDIA IDEA

Wisdom Tree. Hardback. Book Condition: new. BRAND NEW, The India Idea, L. K. Sharma, Shobit Arya, The India idea an idea which may not always find its origin in a sophisticated lab or a state-of-the-art industrial R&D centre; an idea which may be as unique as the country's identity, ethos and culture; an idea which may be beyond time and space but whose time has definitely come this evocative book gives a fascinating peep into such ideas and the robust innovation model across India's social and economic spectrum. With thought-provoking contributions by legendary scientists, technocrats and management experts and practitioners on the one hand and heart-warming stories about inclusive grass-roots as well as cutting edge innovations on the other, this one-of-its-kind book presents the distinctive India of today in all its flavour and fervour.
