Product Description: Warriors of Arthur offers unique insights into the life and times of the men and women immortalized through the literature of King Arthur and the Round Table. The authors present a detailed picture of the culture, weapons and places associated with Britain's most famous king, ranging from the true sixth century origins to the romances and chronicles of the Middle Ages. Through original illustrations researched by the authors and painted by Richard Hook, new color photographs of the most famous sites, and numerous black and white illustrations including archeological reconstructions, the text is supported by a wealth of visual detail. Included is a rare list...
