

A Step Ahead: Movement Activities to Help Develop Children's Ability to Learn

By Ed D David L Biles M a

Lulu Publishing Services, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Many children find it difficult to behave and function adequately in a classroom setting. In A Step Ahead, author Dr. David L. Biles discusses the practical activities that can help to eliminate the symptoms that come with this problem. This booklet, designed for parents and teachers to use with children, presents activities intended to improve eye tracking for better reading, balance, memory, and concentration for overall academic improvement. A Step Ahead includes information to help you identify potential academic inefficiencies in children; it also provides activities to help with the remediation. Backed by years of research, each section of A Step Ahead lays out its premise, analysis, treatment, and expected results. Guide your children to achieve the academic success they deserve and take the opportunity to create play time with them. You can prepare your children for their future and have fun while doing it with A Step Ahead.
