E-Booktime, LLC, United States, 2005. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a book that tells of the struggles and hardships I endured that enabled me to hear the voice of God. After receiving a call from The Son on 1-11-2004, I began writing prophetic poetry, with details later found to be true in the individuals life. The poems were intended to be an expression of ones thoughts, but people began telling me that there were true facts in the poems. Most of the recipients of the poems were brought to tears upon receiving them. Some were healed, and I knew this was truly the Master calling me to walk in my spiritual destiny! After Jesus called me, about a month later, He gave me a poem entitled He Rose. This poem was to cost thirty-three dollars and I was told that anyone sowing into this ground would receive a special blessing. I was instructed to use red paper, symbolizing the blood, bold black print. old things are passed away. and a white wooden frame. I started a small business to help raise money to help this church. I later joined the church and hope to be a blessing to many others that will accept the gift of God!.
