WestBow Press, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.My spiritual awakening was not when I felt God while driving home with my little dog after spending the night in jail or when the young girl who never heard of AA showed up at a meeting and it turned out she lived in the state I had just moved from. Yes, those were spiritual experiences orchestrated by the mighty hand of God. But my awakening came when I began seeing the world through His eyes. God formed each cloud in the sky to be as uniquely beautiful as the people He created. He enabled the birds to sing in harmony as well as the Mormon Tabernacle Choir. Roses are red, violets are blue, and the grass is green because God painted them. Every sight, sound, smell, color, and texture you encounter originated from Him. The Creator of the universe handcrafted all of these for our pleasure so let s honor Him by enjoying them. I also discovered that the Bible is not a Who s-Who book of saints but story after story of real people who are as imperfect as you and I with the same real life issues that plague us today. And no matter what they did or how they acted there was no sin too big or bad to keep them from finding their connection to God. Perhaps you ll find yours through one of them.
