Createspace, United States, 2013. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.My name is Sumto, and everyone thinks I am a gambling, lazy, good-for-nothing drunk. Frankly, I think they have a point. Right now I may have to join the army and fight in a war I am frankly too corpulent to cope with. Still, it looks like being a small, short war. So that s got to be as bad as things get. Am I right? Trained in his youth for war and politics, Sumto is interested in neither. As the son of a Patron, he should gather clients, acquire wealth, learn magic, husband a political power base and take his place amongst the Assembly of Patrons, the rulers of the city. Sumto would rather gather friends, acquire books, learn history, husband a hangover and take his place at the gambling tables. That is not going to be an option for much longer. Unknown to Sumto, everything is about to change. There is a war in the north and Sumto is about to become a very unwilling participant.
