Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Dominic Collins)

Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, Something Rotten, Jasper Fforde, Thursday Next, Head of JurisFiction and ex-SpecOps agent, returns to her native Swindon accompanied by a child of two, a pair of dodos and Hamlet, who is on a fact-finding mission in the real world. Thursday has been despatched to capture escaped Fictioneer Yorrick Kaine but even so, now seems as good a time as any to retrieve her husband Landen from his state of eradication at the hands of the Chronoguard. It's not going to be easy. Thursday's former colleagues at the department of Literary Detectives want her to investigate a spate of cloned Shakespeares, the Goliath Corporation are planning to switch to a new Faith based corporate management system and the Neanderthals feel she might be the Chosen One who will lead them to genetic self-determination. With help from Hamlet, her uncle and time-travelling father, Thursday faces the toughest adventure of her career. Where is the missing President-for-life George Formby? Why is it imperative for the Swindon Mallets to win the World Croquet League final? And why is it so difficult to find reliable childcare?.
