Being older now, by several years, than when I had expected to be cut up all alive, and having been taught by Professor Megalow, that science is not of necessity cruel, I managed to sleep pretty well that night, and resolved to be brave in the morning. And truly there was no great need for courage; which rather disappointed me, and cast a slur upon my value, as a boy of exceptional interest. Not one of the four Professors took the trouble to look twice at me; each had his whole time taken up, in fighting for his own tongue, and purse. Their payment was to be by head of pupils--whether they fitted the head, or not--and being four in number, they put universal knowledge into four departmentmerits, each with a bigger name than the other. And all our...
